Re; grazing official and meeting

In the duly call Kayenta Chapter Planning Meeting of May 05, 2025, Gene Salt represent Resolution to the community on concerning governmental issue in one lone grazing representative due election results. Now Navajo Nation District 8 Grazing Committee cannot be established.

In the planning meeting valid discussion, the one lone grazing representative can become part of duly call chapter meeting OR another alternative mentioned is to call in neighboring chapter grazing official to form a NN District 8 Grazing Committee. Beneficial alternatives are also open.

Systematic and bureaucratic challenges seem to burden local decisions making. In resolve, these concerns can be relief by exercising the NN Local Government Act. Here on decisions can made locally.

Some concerning land and grazing and livestock and permit issues,

- official permit transfer
- official permit transfer for court
- official homesite leasing
- official land and grazing issues
- official mediation resolve
- official land and grazing compliant resolve
- official permit modification
- burial issues
- other land and grazing and livestock concerns exist

This resolve will benefit grazing permittee and land users.
