Resolution No: KY25-09-052

KAYENTA CHAPTER RESPECTFULLY REQUEST THE NAVAJO NATION DEPARTMENT OF TRANSPORTATION TO ADD TWO COMMUNITY ACCESS ROUTES, BRANCHING FROM NR6460 AT COORDINATES NORTHEAST OF KAYENTA, ARIZONA, INTO THE NAVAJO NATION ROAD INVENTORY TO IMPROVE TRANSPORTATION, ENSURE THE SAFETY OF CHILDREN TRAVELING TO SCHOOL, AND PROVIDE RELIABLE ACCESS FOR ELDERS AND LOCAL RESIDENTS.

WHEREAS,

1. Pursuant to 26 N.N.C., Section 3(A), the Kayenta Chapter is a duly recognized certified chapter of the Navajo Nation Government, as listed at 11 N.N.C., section 10; and
2. Pursuant to 26 N.N.C., Section 1(B), the Kayenta Chapter is vested with the authority to review all matters affecting the community and to make appropriate correction(s) when necessary and make recommendation(s) to the Navajo Nation and other local agencies for appropriate action(s); and
3. Kayenta Chapter and Comb Ridge/Horse Hop families have identified the need for two additional community access routes to be formally recognized and included in the Navajo Nation Road Inventory, both branching from NR6460 at coordinates 36°47'48.3"N, 110°05'39.4"W, Northwest of Kayenta, Arizona; and
4. The first proposed route would extend North for approximately 3.4 miles, ending at coordinates 36°49'03.1"N, 110°08'11.1"W, and the second route would extend East for approximately 2.6 miles, ending at coordinates 36°49'15.6"N, 110°03'31.5"W; and
5. The majority of existing local roads in this area are unpassable during rainstorms or snowmelt due to severe washouts, erosions, and the absence of adequate drainage systems, leaving community members stranded or unsafe while traveling; and
6. Many of the current routes have no culverts in place, or existing culverts have been washed out, creating hazardous conditions that prevent safe passage for school buses, emergency vehicles, and residents; and
7. These community routes are critical for ensuring the safety of children traveling to and from school by bus, including those with special needs, as existing road conditions present ongoing hazards and delays that affect daily school transportation; and
8. The proposed routes would provide safe, reliable, and direct access for elders traveling to Kayenta for medical appointments, essential services, and family support, as well as for residents who must travel to work, purchase groceries, haul water, and meet tother daily household and community needs; and

9. Adding these roads into the Navajo Nation Road Inventory will not only strengthen local infrastructure but will also begin the process of installing proper culverts and drainage systems to ensure safe year-round access, protect roads from storm damage, and improve long-term road sustainability.

NOW THEREFORE BE IT RESOLVED THAT:

The Kayenta Chapter, with the support of its Officials, Administration, and community families, hereby formally requests the Navajo Nation Department of Transportation to add the two community access routes branching from NR6460 Northeast of Kayenta, Arizona, into the Navajo Nation Road Inventory, and to initiate the process of planning and installing culverts and drainage systems to improve road safety and reliability for all residents. With reference Exhibit "A", maps & photos of both routes.
